LOCATION

My office is located in the Carthay Circle area of Mid-Wilshire Los Angeles just a bit north of Olympic, centrally located near West Hollywood, Beverly Hills, and West Los Angeles. Major roads are San Vicente to the north, Fairfax several blocks to the east, and Olympic several blocks to the south (please see maps below).

PARKING SUGGESTIONS

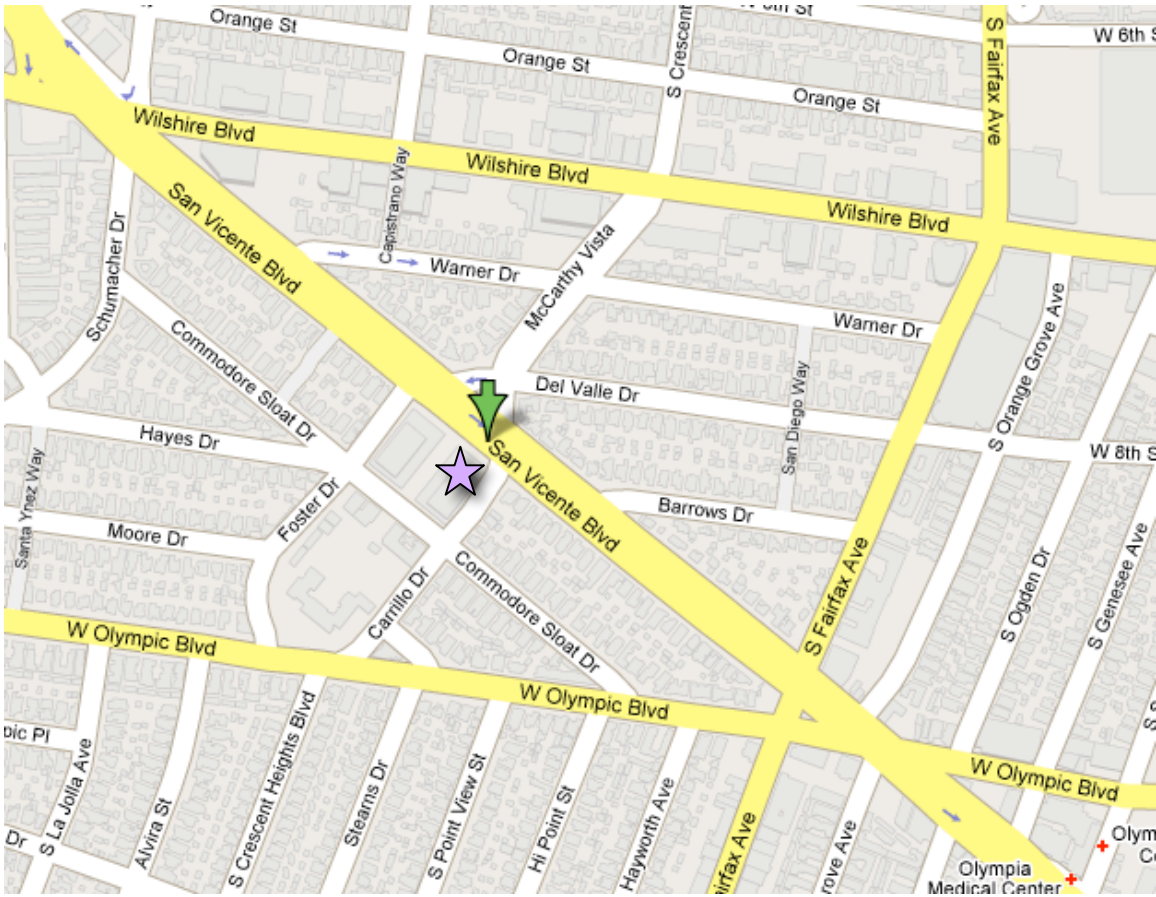

1. In addition to street parking directly in front and on the east side of the building, try directly behind the building on Commodore Sloat Drive (pay attention to the street cleaning signs).
2. Across the stoplight (toward Wilshire) on McCarthy Vista*;
3. Across the stoplight on San Vicente, but only on the east and north side of the street (opposite corner from the building), or;
4. On the east side of Carrillo* across from the school.

Alternatively, underground parking is \$6 per hour.

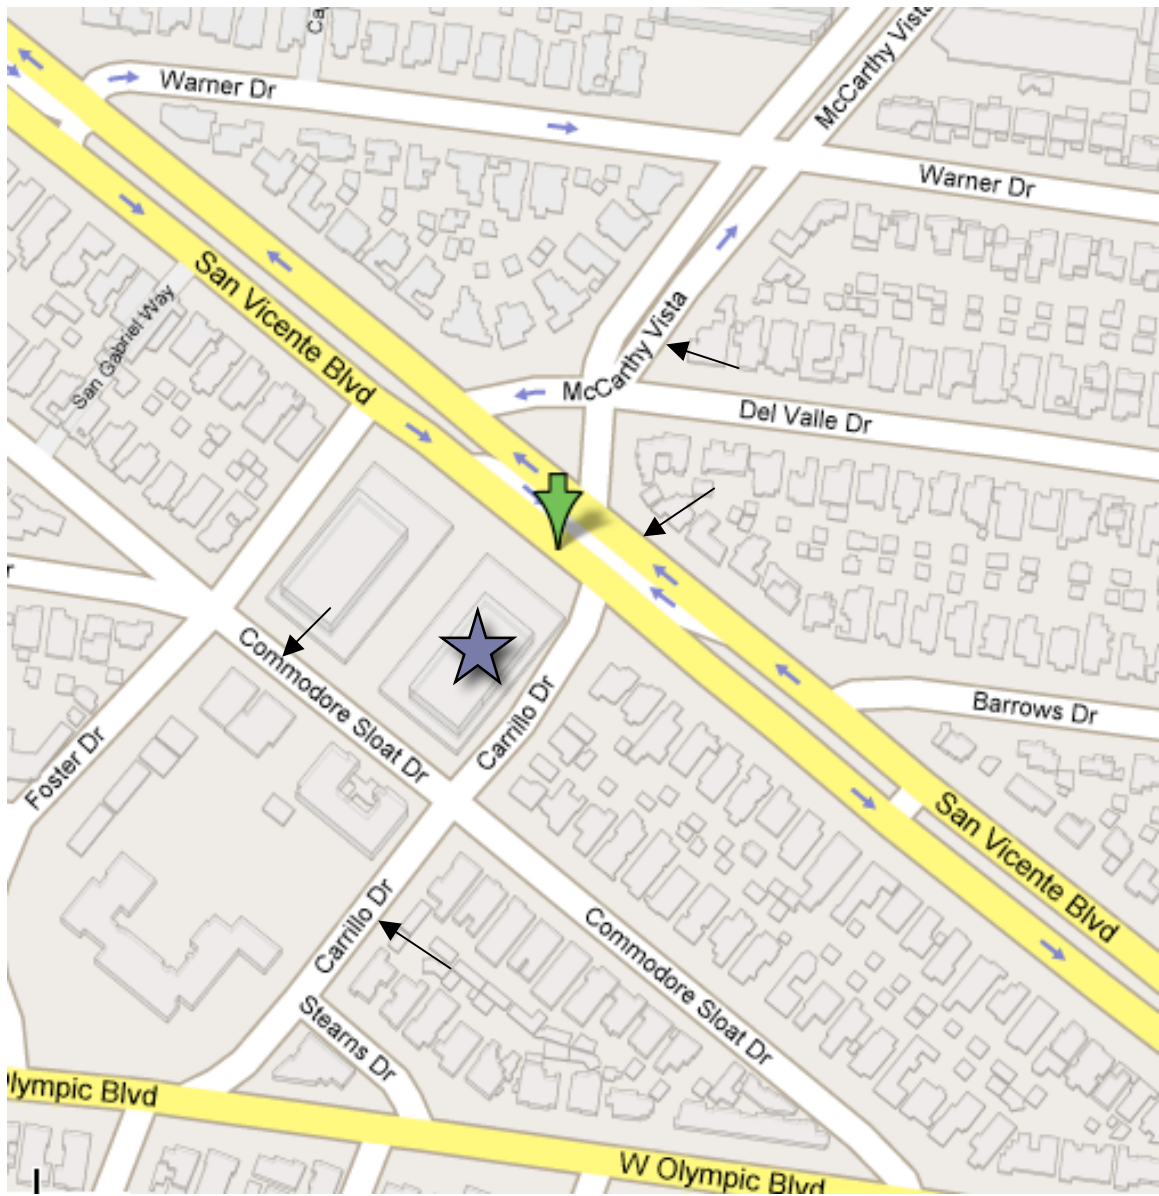

*Note: Crescent Heights ⇔ McCarthy Vista ⇔ Carrillo

AFTER HOURS

For appointments after 7 PM, if you find the double doors into the building locked, please ring security using the intercom and tell them that you are going to Suite 410.
